

Amendment to the Specification:

Please amend paragraph 33, as follows:

[0033] A user of the EPG displayed on computing device ~~105~~ 150 may also, through input device 160, display portions of or the entire EPG on video display 105. This way, it is possible that a user may share programming information with all viewers. This also allows those who have poor vision, or are otherwise unable to use display screen 158, to use the EPG.
